

7516

MONITOR ARMS

CONVENIENT FLEXIBILITY.

The monitor mount effortlessly controls your radial movement; simply grasp the handle and turn the monitor left or right - wherever you need it. Our cable management routes cables inside the monitor arm to keep your work area organized. You'll never work the old and cluttered way again!

The 7516 monitor arm combines our award-winning 7500 monitor mount with hygienic handled brackets, making this mount ideal for the medical industry and dental office environments.

FEATURES

- **Flexible:** Arms articulates 360 degrees at 3 joints and tilts 200 degrees, allowing maximum flexibility.
- **Space-saving:** Arm can be folded to occupy just 3" of space.
- **Rotate:** Monitor can be rotated for landscape or portrait viewing.
