MONITOR ARMS

innovative™  
design works

## SPACE-SAVING ERGONOMIC COMFORT.

The 9112 articulating monitor mount features a foldable arm that adjust vertically up and down the 14" pole mount. Various pole mount lengths and monitor arm extensions are available or can be designed to fit any application you're looking for.

### FEATURES

- **Adjustable:** Features adjustable tension at joints, ideal for touch-screen applications.
- **Flexible:** Monitor arm includes FLEXmount with six mounting options in one kit.
- **Space:** The monitor arm can fold to fit in approximately 3" of space and extend out 14".
- **Customizable:** Optional upgrade to quick install/release monitor bracket; consult your sales rep for details.
- **Compatible:** VESA-monitor compatible – 75mm & 100mm VESA adapter included.
