MONITOR ARMS

innovative™  
design works

## SPACE-SAVING ERGONOMIC COMFORT.

The 9130-S long reach monitor mount features a foldable arm that adjusts vertically up and down along the 14" pole mount. The monitor arm can fold to fit about 3" of space and extend out 16". There are various pole lengths available, or the monitor arm can be designed to fit any application you may be looking for.

### FEATURES

- **Adjustable:** Friction control system provides smooth adjustment while adjusting the position of the dual monitor arms.
- **Flexible:** Monitor mount includes FLEXmount with six mounting options in one kit.
- **Space:** The monitor arm can fold to fit in approximately 3" of space and extend out 16".
- **Customizable:** Optional upgrade to quick install/release monitor bracket; consult your sales rep for details.
- **Compatible:** VESA-monitor compatible – 75mm & 100mm VESA adapter included.
