BOLT THRU POLE MOUNT WITH TOP TILTER
POINT-OF-SALE

STURDY, ROBUST POLE MOUNT

Our Modular Now pole mounts feature durable construction, an attractive appearance and internal cable management to create a clean look for any retail environment.

The monitor can be pivoted or turned to suit the users needs; it can also be locked into position if needed.

FEATURES

- **Durable:** Expert engineering and a thought product process means Modular Now poles are one of the highest quality POS mounting options available in the market.
- **Aesthetic:** Cables can be routed inside pole for a clean look
- **Space saving:** A single Modular Now pole can support multiple displays, payment terminals, printers and a keyboard allowing for more selling space.
- **Customizable** Need to add support for a second display, terminal payment device or printer? The Modular Now system lets you quickly and easily create a custom configured solution.
