

E2 SINGLE

MONITOR ARMS

innovative™
design works

SLEEK DESIGN. MAXIMUM FLEXIBILITY.

An evolution in ergonomics. Introducing “E2”, the next generation of the original Envoy monitor arm. E2 offers a polished design with maximum flexibility for user screen interaction. With a recent study citing 24% of workers experience neck pain, the E2 seeks to optimize user performance and adjustment control while eliminating the strain on neck muscles.

Sleek, space-saving design

With a fast and easy install and quick release tilter, the E2 proves to be the ideal monitor arm for both home and office environments.

FEATURES

- **Sleek:** Clean lines and a modern silhouette provide a stylish profile for either home or office.
- **Ergonomic:** Allows monitors to be placed at an ergonomically correct distance from the user's eyes to increase comfort and productivity no matter where a person is working.
- **Dynamic:** Portrait-to-landscape rotation feature reduces stress on the neck and shoulders.
- **Compatible:** VESA-monitor compatible - 75mm & 100mm VESA adapter included.
